It's that time of year to give to others who need our help. We are throwing a party with live music and performances with holiday activities for the family such as candle making, cookie decorations, face painting, a raffle with locally donated gifts, and even Santa himself. Come enjoy the fun and we ask that you bring 2-3 cans of food for donations. We will also be collecting cash contributions. Food and refreshments will be on hand so come stop by, enjoy the entertainment and help be a part of this wonderful cause.
